

Beautiful Ideas Start Here

“We have achieved Allergan’s DIAMOND level status for the second year in a row! The Diamond distinction puts Quincy Plastic Surgery & Aesthetics among the TOP 4% of all aesthetic practices in the United States!”

BOTOX COSMETIC & DYSPORT

Price estimate \$200 - \$700

The most popular aesthetic treatment available to safely, quickly and effectively reduce the appearance of fine lines and deep wrinkles. Naturally beautiful, yet subtle results.

JUVÉDERM COLLECTION OF FILLERS

Price estimate \$625 - \$850 per syringe

The #1 selling injectable fillers in the US. The Juvéderm collection adds volume to lift cheeks, chisel jawline, smooth lines & plump lips. The results are natural looking and long lasting.

RESTYLANE COLLECTION OF FILLERS

Price estimate \$600 - \$675 per syringe

Formulated to act like your body’s own naturally occurring hyaluronic acid, restoring volume, providing natural-looking results.

SCULPTRA AESTHETIC

Price estimate \$750 per vial

This unique treatment works with your body to help revitalize the production of collagen. Sculptra is perfect for those with all-over facial volume loss. A series of treatments will subtly replace lost facial volume in just the right areas.

CHEMICAL PEEL *Price estimate \$125 - \$275*

The most popular skin rejuvenation treatment. A process that uses peeling agents to reduce the effects of aging and sun damage, such as fine lines, wrinkles and brown spots. Peels have a long history of being safe and effective in restoring youthful appearance.

COSMELAN *Price estimate \$750*

Synergistic ingredients work quickly, resulting in a fast, effective elimination of undesirable pigment. Cosmelan regulates melanin activity, causing the pigment producing cells to slow down their over-production and function more uniformly.

HYDRAFACIAL *Price estimate \$150*

Removes dead skin cells and extracts impurities while simultaneously bathing the new skin with cleansing, hydrating and moisturizing serums. The treatment is soothing, refreshing, non-irritating and immediately effective.

DERMAPLANE *Price estimate \$100*

A non-invasive way to immediately improve the health of the skin without any downtime.

MICRONEEDLING *Price estimate \$375*

Collagen Induction Therapy. Improves the appearance and quality of skin. Minimally invasive procedure creating tiny punctures in the skin using sterile micro-fine needles. This triggers the body’s wound healing process, stimulating your skin to naturally produce collagen and elastin.

Our Experts

Paige C. Holt MD – Board Certified Plastic Surgeon
First introduced to the Quincy area in 2007 when she started a well-known practice in plastic & reconstructive surgery. Although she relocated to Bloomington, IL in 2010, Dr. Holt's popularity followed her to Bloomington where she continues to see Quincy area patients. She chose to re-open a practice in Quincy in 2015 to improve care and accommodations for local patients. Surgical services performed in Bloomington. Pre-op, post-op and consultation appointments available in our Quincy office.

Glori Traeder APRN, FPA – Board Certified Nurse Practitioner with over 15 years specialized experience and advanced training in Aesthetic treatments and plastic surgery pre and post op care. Glori is a well-known area health care provider and advocate.

Shannon Nicholas RN – has over 13 years of experience in the aesthetic industry and has been with our Quincy Plastic Surgery & Aesthetics practice since 2016.

Friends first and foremost.

Dr. Holt and Glori's extraordinary friendship and partnership bring exceptional patient care in Plastic Surgery & Aesthetics back to the Quincy area in their elegant office.

They share the same client-centered goals: to help you look your best at every age and express your personality and lifestyle.

Whether you are looking for a subtle change that only you will notice or something to enhance your natural beauty, we provide individualized treatment plans based upon your goals.
